

Michigan Association of Emergency Medical Technicians Scholarship Award Program

The Michigan Association of Emergency Medical Technicians is dedicated to the promotion of the professional status of all emergency medical technicians. Toward this end, MAEMT has established a scholarship fund to help those interested in becoming involved in the emergency medical field in the state of Michigan.

Applicants may receive up to \$500.00. Total awards may not exceed 50% of the total course cost. Judging is based on merit and need, which is determined by the Board of Directors via a weighted Likert-scale.

Applicants need not be a member of MAEMT at the time of application, but membership is a condition of receiving the award.

Two letters of recommendation and a letter stating the reasons the applicant is applying for the award must accompany each application. One of the recommendations should be from an individual who can attest to the applicant's work ethics and reliability on the job. The second letter should come from an individual who can attest to the applicant's willingness to learn new skills. An example would be a past instructor or teacher, or an employer who can give examples of how the applicant was willing to learn new tasks at work which make them a better employee. The letter from the applicant needs to include why the applicant feels he/she is a good candidate for the award, explain his/her interest in EMS, list any previous experience or training in the field of EMS, and outline his/her future goals.

Scholarships are awarded in August. Application deadline is June 1st of each year. For additional information on the scholarship program or an application, please contact the MAEMT office at by phone at (517) 372-7391, via e-mail at execdir@maemt.org, or by mail at 412 W. Ottawa, Lansing, Michigan 48933-1518. Information and an application may also be obtained from the MAEMT web site, www.maemt.org.
